J. P. Electronic Devices (India) Pvt. Ltd.

J. P. Electronics Pte Ltd

Excellence :: Quality :: Trust

Distributors of Electronic Components

JPE Group specializes in marketing & distribution of electronic components from leading semiconductor manufactures. Established in 1998, JPE Group has over the years earned enviable position of being distributor of choice for major OEMs, ODMs, EMS. Integrity, commitment to quality & service has helped JPE, to become a distributor of choice for customers as well as for our principals.

JPE Group has become an integral part of supply chain management of several eminent customers in segments such as Consumer Electronics, Industrial Electronics, Lighting, Home Automation, Entertainment, Telecom & IT, Medical, Automotive, New Energy Vehicles.

Our team of experienced and talented sales & Design engineers empower us to offer professional, reliable, value added services to propose complete solutions consistent with our principal's strategic objectives and directives, by supporting our customer's right from design reference stage to actual bill of material sourcing.

In collaboration with our elite technology suppliers, tie ups with independent design houses & talented in-house design engineers, we commit to deliver innovative & cutting edge solutions to our customers, helping us build long term business alliance with our customers & principals.

JPE Group success is evidenced by long standing relations with our suppliers as well as customers & our endeavors in exceeding the expectation in sales and technology promotion & service support.

We are Globally connected, locally invested.

## AUTHORISED DISTRIBUTORS

**MICROCHIP**

[www.microchip.com](http://www.microchip.com)

**MICROCONTROLLERS , MICROPROCESSORS :**

**Analog :** Amplifiers and Linear ICs, Clock & Timing , Data Converters, Discretes, Embedded Controllers and Super I/O, Interface, Power Management, Sensors, Silicon Carbide (SiC).

**Others :** Memory, Power Discretes ,Power Management, Power over Ethernet, Radio Frequency (RF) and Microwave, Security Products , Sensors & Motor Drive, Smart Energy Solutions, Storage, Touch, Wireless Connectivity.

**ALLEGRO**  
microsystems

**Current Sensors Position Sensors : Speed Sensors :**

Switches and Latches, Sensor Interface ICs,

**Clear Power Modules :** LED Drivers, Regulators, BLDC Drivers, Brush DC Drivers, Isolated Gate Drivers, Stepper Motor Drivers.

**Emerging Technologies :** 48V Systems, Replace the Shunt, XtremeSense TMR Technology

**Navitas**

[www.navitassemi.com](http://www.navitassemi.com)

**GaN** GaNFast Power ICs | GaNSense Power ICs | GaNSense Half Bridge Power ICs |

GaNSense Control

**GENESIC :** SiC MOSFET | SiC Schottky MPS | Bridge Rectifier |

Rectifier Module | Stud Rectifier.

Power Mosfet , Silcon Carbide (SiC),

Power Transistor, Power Zener ,

Power Diode : Power Schottky ,

General Purpose Diode, Fast Recovery Diode

**Circuit Protection :** ESD Protection , TVS

**Small Signal :** Zener , Mosfet , Bipolar Transistor, Digital Transistor, Schottky , Switching

**AVIDISPLAY**

[www.av-display.com](http://www.av-display.com)

**TOUCH DISPLAY :** TN TFT , IPS TFT, Industrial / Automotive Large TFT, Wide Temperature TFT, Touch Module, Capacitive / Resistive Touch Panel

**MONO DISPLAY** COB Module, COG Module, TN / STN / FSTN LCD, PMVA LCD, Shutter LCD

**INNOVATIVE TECHNOLOGY :** All Black , PMVA Color, Rearview Mirror, Intelligent Switch, Hybrid Touch Display HMI Display.

**TAIWAN SEMICONDUCTOR**

[www.taiwansemi.com](http://www.taiwansemi.com)

Diode, Linear Voltage Regulator,

ESD Protection, Mosfet

**Discrete Devices :** Bridge Rectifier ,

Diac & Thyristor , Transistor

**Power IC's :** Amplifier & Comparator, Analog IC, Linear Voltage Regulator, Voltage Reference Hall Effect Sensor, Lighting IC

**NOVOSENSE**

[www.novosns.com](http://www.novosns.com)

Isolated & Non Isolated DC Drivers, CAN Transceiver, LIN Transceiver RS485 Transceiver, Digital Isolators, Isolated Interface, Isolated Power, Isolated Sampling Automotive Exterior LED Driver - Automotive Rear Lighting Driver
